

Parental Notification of ‘Sole Charge Operation’ Risks

There are specific risks to consider when enrolling your child/ren in a ‘Sole Charge Operated’ Programme. These include highly unlikely, but not impossible situations where your child/ren may be at risk of being unsupervised or unintentionally neglected in some way or be at risk of being exposed to a frightening emergency situation of some sort. All precautions have been taken to ensure that this does not happen and if an unforeseen or unpredictable event does occur, rest assured that a number of support systems and back-up plans are in place to manage these situations to ensure that your child/ren are best taken care of. You are invited to discuss these with Sandy or ask to view the Risk Assessment. In the event of emergency situation, your child/ren has/have a role to play in keeping themselves safe and or seeking assistance and will be trained and practice how to respond in emergency situations.
